A GREATER UNIVERSITY.

ALUMNI®

SUSTAINING
LIFE MEMBER 

Help us Build a Greater University by Annually Participating as a Sustaining Life Member

You are cordially invited to participate in the Nebraska Alumni Association's Sustaining Life Membership program, in support of programs and activities that promote and advance the university and enhance the quality of student life. You will find a wide array of these activities featured in this brochure.

Sustaining Life Members are invited to further support student and alumni programs by making an annual tax-deductible contribution at one of the following levels:

Ivy Level \$50-\$99
Columns Level \$100-\$499
Hail Varsity Level \$500-\$999
Mueller Tower Level \$1,000+

Framed size: Approximately 30 x 24"

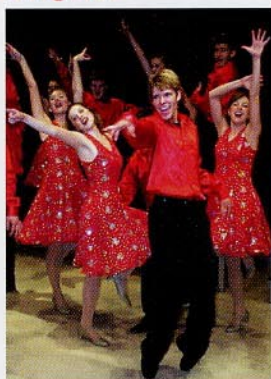

Alumni and friends who contribute at the Hail Varsity level will receive a limited edition campus print. Mueller Tower patrons will receive the limited edition print handsomely framed. All Sustaining Life Members will receive an official acknowledgment letter and recognition in the Alumni Resource Guide as well as on our Web site at www.huskeralum.com

Alumni and friends interested in joining as a member of the Nebraska Alumni Association's 1874 Society, requiring an annual donation of \$1,874 per year for 10 years, should contact the Nebraska Alumni Association at (888) 353-1874 or (402) 472-2841.

Thank you for helping us to build
A Stronger Alumni Association. The result
will be A Greater University.

Scarlet & Cream Singers

Since the group's founding in 1973, the Scarlet & Cream Singers have been the University of Nebraska's ambassadors of goodwill, spreading Nebraska spirit to more than 16,000 alumni, students and friends

around the state, nation and world annually. Students selected for the show choir have competed at the national level with many landing impressive careers in the entertainment industry upon graduation. Sustaining Life Membership funding will be devoted to student scholarships, creating additional travel opportunities, and helping with costuming and sound equipment needs.

Cather Circle

Cather Circle, the alumni association's mentoring and networking program, brings successful women graduates back to campus to meet with current women student leaders. Students and alumnae build

meaningful relationships, give advice, and share experiences. Discussion topics have included balancing career with families, changing careers, communications styles, stress management and financial planning. Sustaining Life Membership funding will be devoted to program enhancement and student scholarships.

Student Alumni Association

Since its inception in 1973, the Student Alumni Association (SAA) has served to promote interaction among students, faculty and alumni for the betterment of the university community. The organization is comprised of 80 student leaders from across the state and nation representing a broad cross-section of interests on campus. SAA coordinates numerous homecoming activities; Distinguished Scholars Day, recognizing some of the state's top prospective students; Masters Week, annually recognizing several of the university's most successful alumni; and the Student Enhancement Fund, generating grants for student groups on campus. Sustaining Life Membership funding will be devoted to program enhancement and leadership development opportunities.

Diversity Initiatives

The Nebraska Alumni Association is developing programs and activities to keep diverse alumni connected with one another and the university. Specifically, the associa-

tion is planning a comprehensive program that would allow alumni to contribute time and talent to groups of students on campus. Sustaining Life Membership funding will be devoted to program development and promotion.

Student Enhancement Fund

Initiated in 1999, the Student Enhancement Fund provides funding opportunities to interesting and unique student programs that create a greater harmony on campus among diverse groups of students, enhance campus life for students in a meaningful way, and create a greater understanding and appreciation of the student/alumni relationship. Up to half of the fund is used each year to enhance diversity awareness on campus. Sustaining Life Membership funding will be devoted to carrying the fund well into the future.

NU Traditions Fund

As part of our mission, the Nebraska Alumni Association is the steward of campus traditions. Each year the alumni association celebrates the university's rich heritage through a variety of events and activities including our annual homecoming celebration, our Pizza Pass that engages alumni in distributing pizza and soda to students as they create homecoming displays, and our Senior Sendoff graduation party held each April. The alumni association also promotes and maintains the university's single-ring tradition, a tradition developed for students and alumni who wish to display their affinity and loyalty to the University of Nebraska through powerful symbolism. Sustaining Life Membership funding will be devoted to strengthening current and fostering new campus traditions.

Alumni and Student Awards

Each year the alumni association bestows numerous awards on outstanding alumni and students who exemplify personal and professional excellence and achievement. Awards include the Lt. Shane Osborn Award recognizing outstanding leadership ability among undergraduates, the Distinguished Service Award recognizing exemplary alumni service to the University, the Alumni Achievement Award recognizing outstanding professional or civic accomplishments, and the Young Alumni Achievement Award paying tribute to young alumni who have provided exceptional service to the University through volunteer efforts and have distinguished themselves in their career or community. Sustaining Life Membership funding will be devoted to enhancing the student and alumni awards program.

Breakfast for Champions

Since 1999, the Nebraska Alumni Association has coordinated the Breakfast for Champions, drawing together eighth-grade student leaders and their parents from across the state for a morning of recognition and celebration. The event was developed to recognize the eighth graders for their dedication to academic excellence and community service, to encourage these young student leaders to continue to make the right decisions as they mature, and to provide students with a rare opportunity to interact with former Husker Olympians, NFL greats and other alumni who serve as role models. Sustaining Life Membership funding will be devoted to developing student scholarships and enhancing the event.
